

2017 Campership Application

Due to the Blue Grass Council Service Center by April 10, 2017

Every Scout deserves the opportunity to attend the McKee Scout Reservation this summer. The Blue Grass Council, BSA would like to remove as many obstacles facing Scouts that might attend camp as possible; this includes the camp fee. We realize that there are a few Scouts in our council who truly cannot afford the fee. In many cases, these are the same youth for whom camp attendance would be the most beneficial. Therefore, we have established the Campership fund to help those Scouts who desire the camp experience but cannot afford it. As Scoutmaster, it is your responsibility to determine if any Scouts in your troop will have difficulty paying the camp fee. Through the applicant's parents, determine what portion of the fee the Scout is able to pay. Decide if the troop needs to have money-earning projects to help any members of the troop. Then complete a campership application for any Scout needing assistance.

Campership applications must be completed and delivered to the Scout Service Center before April 10, 2017. Scoutmasters will be notified of the Campership awards soon after approval. Please use your best judgment in applying for these Camperships. Additional applications are available at the Scout Service Center, or you may reproduce as needed.

Level of Campership Requested: _____ ¼ fee paid (\$65)
_____ ½ fee paid (\$130)
_____ ¾ fee paid (\$195)

Name of Scout _____ Troop # _____
