

Scout Early Release Approval Form

Scouts desiring to leave the Camp prior to the troop's departure or not as part of the Troop, must have a release signed by their parents and approved by the troop leader. Scouts will normally be permitted to leave only when accompanied by their parents. The form below must be used in handling all such departures. In an emergency, it may not be possible for a parent or parents to sign the release. In the event, sufficient information must be recorded attesting to the telephone call or means of communication by which word arrived asking for the release of the Scout. This information should document the person from whom the call was received, verify telephone confirmation of the parent asking for release of the Scout and give detailed reasons for the requested release.
