

## Letter from our Council Popcorn Kernel

---

Blue Grass Council  
Boy Scouts of America

My fellow Scouters, I would like to introduce myself as the 2021 Blue Grass Council Popcorn Kernel. I have been a volunteer in the Palisades District for ten years and have been involved in popcorn sales in my son's units as Popcorn Kernel since 2012. In 2019 I was asked by the Palisades District Committee Chairman to serve as the Palisades District Popcorn Kernel, and in 2020 I volunteered to lead the Blue Grass Council's popcorn sale. I enjoy the challenges of helping Scouters and Scouts achieve their fundraising goals. I want to help you reach your funding goals as we teach our Scouts the skills they will use for a lifetime.

This year's popcorn sale will allow us to get back to the new normal. After a historic downturn, I'm anticipating a record-breaking year in popcorn sales, and you can be a big part of it. So, let's all work together to make this Scouting year great!

Thank you for everything you do.
